

Quality Policy

Culhig Surveying is committed to providing services that meet our Client's expectations and delivery requirements.

Culhig Surveying commits to this by:

- + Establishing the Company and project specific quality objectives
- + Achieving ISO 9001 Certification
- + Delivering services on time and within budget
- + Adopting and complying with the Client's Quality Management System and procedures
- + Adhering to company policy and procedures
- + Resolving problems promptly and in a manner that will prevent recurrence
- + Ensuring that our procedures are current
- + Applying tools, techniques and methodologies that are aligned to industry best practices
- + Committing to continuous improvement and ensuring our practices are continuously evolving and relevant to industry standards and requirements, while meeting the needs of our Clients and other interested parties
- + Ensuring that employees are actively involved and responsible for their work
- + Reviewing this Policy annually.

It is the responsibility of all Culhig Surveying employees and contractors to strictly adhere to this Policy at all times.
